COMBINATION ANTIOXIDANT  
TREATMENT CONTAINING  
L-ASCORBIC ACID,  
ALPHA TOCOPHEROL,  
AND FERULIC ACID

PREVENT

30 ml / 1 fl oz

“The effects of Clear + Brilliant Permea fractionated laser are amplified with topical SkinCeuticals C E Ferulic serum which makes it ideal for treating conditions such as melasma. The laser makes your skin more permeable to topical skin care, so when an antioxidant is applied immediately after the treatment, that aids the removal of pigmentation and helps skin recover.”

– Anne Chapas, M.D.
